

Accessible Arts Calendar Summary

2017 Current Venues and Shows

Updated 3-13-18 –

VSA Minnesota provides this **Current Venues and Shows** list as a supplement to our **Accessible Arts Calendar** (on our website as a Resource under [Community](#)). It summarizes shows coming up at arts venues across Minnesota. Some listings include plays, concerts and other arts events that offer:

ASL (American Sign Language Interpreting),

AD (Audio Description),

CC (Closed Captioning),

OC (Open or Scripted Captioning),

DIS (performers with disabilities), or

SENS (Sensory-friendly accommodations) which are inclusive for children on the autism spectrum.

Some listings include accessibility policies at arts venues. This is updated regularly.

Our **Accessible Arts Calendar** (<http://vsamn.org/community/calendar>) lists arts events that proactively offer any of the above accessibility accommodations as well as descriptions of shows, authors, directors, describers, interpreters, ticket prices, discounts and more.

You can subscribe to our free monthly **Accessible Arts Calendar email**. Get (1) ALL these events, (2) ASL-interpreted & Captioned only, (3) Audio Described only, or (4) Captioned only.

The entertainment venues (organized alphabetically by Twin Cities venues and then by Greater Minnesota venues) may offer accessible performances proactively or on request. If you discover accessibility features not yet noted here, or if you arrange **ASL** or **AD** or **Captioning**, please contact VSA Minnesota (access@vsamn.org) and we will publicize them. (Words in GREEN may identify their accessibility accommodations. We assume all auditoriums and bathrooms are wheelchair-accessible and theatres with fixed seating have assistive listening devices, unless noted otherwise.)

To submit or change event information, please contact VSA Minnesota, 612-332-3888, 800-801-3883, or email access@vsamn.org. Thanks for your interest!

Running thru Oct. 11 is [***Dream Big: Engineering Our World***](#). **Audio description and Captioning are available.** Narrated by Academy Award® winner Jeff Bridges, *Dream Big* celebrates human ingenuity and innovation, as well as the compassion and creativity that drive engineers to create better lives for people and a more sustainable future for us all. One of the signature features of the Science Museum's Year of the Engineer, *Dream Big* uses the Omnitheater's giant screen to showcase engineering marvels big and small – from the Great Wall of China and the world's tallest skyscrapers to underwater robots and solar cars. Produced by MacGillivray Freeman Films in partnership with American Society of Civil Engineers, *Dream Big* includes inspiring stories that put human faces on engineering careers, showing that we all have the potential to succeed and change lives for the better. For instance, viewers will meet Menzer Pehlivan, a geotechnical engineer whose career was influenced by a deadly earthquake in her home country of Turkey; Angelica Hernandez, a Mexican immigrant whose engineering interest started with her high school robotics club; Steve Burrows, a structural engineer for whom engineering marvels of the ancient past inform his approach to the future; and Avery Bang, a young woman raised in the Midwest who builds footbridges over impassable rivers in undeveloped countries.

Shakespeare & Company – Summer shows in repertory at Century College West Campus, 3300 Century Ave. N., White Bear Lake, MN 55110. 651-779-5818, info@shakespeareandcompany.org; <http://shakespeareandcompany.org/>. Fri.-Sat. 7:00, Sun. 6:00; \$15; \$13 senior; child under 12 free with adult.
