

Accessible Arts Calendar Summary

2019 Current Venues and Shows

Updated 9-4-19 –

The VSA Minnesota **Accessible Arts Calendar** lists arts events that proactively offer accessibility accommodations such as:

ASL (American Sign Language Interpreting),

AD (Audio Description),

CC (Closed Captioning),

OC (Open or Scripted Captioning),

DIS (performers with disabilities), or

SENS (Sensory-friendly accommodations) which are inclusive for children on the autism spectrum.

The main Accessible Arts Calendar listings (emailed monthly through August 2019 and online at <http://vsamn.org/community/calendar>) offer descriptions of shows, authors, directors, describer & interpreter names, ticket prices, discounts, dates for Pay What You Can (PWYC), and more.

This Current Venues and Shows list supplements the Accessible Arts Calendar. On our website as a Resource under **Community** (<http://vsamn.org/community/resources-community/>), it summarizes shows at arts venues across Minnesota: plays, concerts, exhibits, films, storytelling, etc. It's limited to what we learn about and have time to include. The venues are organized alphabetically by Twin Cities venues and then by Greater Minnesota venues. They may offer accessible performances proactively or upon request. **Words in GREEN identify some accessibility accommodations. We assume all auditoriums and bathrooms are wheelchair-accessible and theatres with fixed seating have assistive listening devices, unless noted otherwise.**

Both calendars will be discontinued after September 2019 when VSA Minnesota ceases operation. The online calendar will be continued by the Minnesota Access Alliance (<https://mnaccess.org/>) with details to be announced in late August or early September.
